Grow Where You Are

The year everybody wanted to grow something

Fig 1

Attention is not same as average

Fig 2

Scanned with CamScanner

Fig 6.

Searching for a garden, and having one, are different maps

Fig 7.

The growth went east. The losses went where the people are

Fig 8.

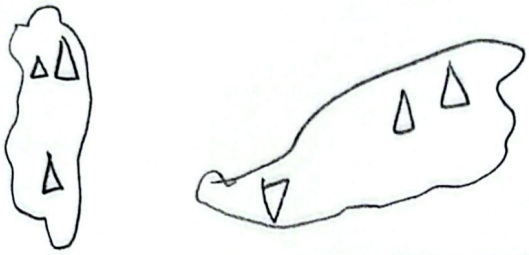

Fig 9.

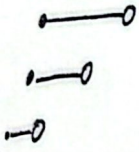

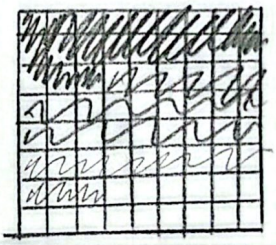

Fig 10.

No spring, no autumn – here, the rain sets the calender
